Subject: EPA Authority to Establish TMDLs / Upcoming ECOS Meeting question
When: Thursday, March 08, 2018 2:30 PM-3:00 PM (UTC-06:00) Central Time (US & Canada).
Where: I can call your office if you like.
Importance: High

We met with Water Directors from Arkansas and Oklahoma DEQs earlier this week. I understand R6 Administrator Anne Idsal plans to meet with them sometime during the ECOS meeting later this month. Further, I am certain that OK's Secretary of Energy and Environment Teague will raise the question of when EPA will be establishing the Illinois River Watershed TMDL(s). Arkansas DEQ Director Keogh will certainly push against us doing so. I'd like to chat with you a bit before I give input to my RA.
